         Stephano Tarantolo, MD. Past-President NOS
7:00 pm Guest Speaker
         Axel Grothey, MD. Mayo Medical Center, MN
8:00 pm Closing Remarks

Please join us on TUESDAY, AUGUST 20TH at Anthony’s Steakhouse to hear the latest state society news and to hear Dr. Alex Grothey from Mayo Clinic in Rochester, MN present on colorectal treatment. Dr. Grothey is Professor of Oncology and Consultant in the Division of Medical Oncology in the Department of Oncology at the Mayo Clinic in Rochester, Minnesota. Until 2011, he was the Vice Chair of the North Central Cancer Treatment Group (NCCTG) and the co-chair of the NCCTG GI committee. He is now the Vice Chair of the GI committee of the Alliance for Clinical Trials in Oncology. He currently serves as Chair of the NCI Colon Task Force. Dr. Grothey’s major areas of clinical interest are GI malignancies, in particular, colorectal cancer, unknown primaries, and neuroendocrine tumors. Target audience is oncologists, colorectal surgeons, radiologists, pathologists, residents, fellows, advance practice professionals, oncology nurses, clinical research staff and practice administrators.
