

Nebraska Oncology Society

Corporate Membership Benefits

Your Corporate Membership allows you to:

- Help Nebraska Oncology Society (NOS) achieve its goals and objectives
- Be part of a key organization that local oncology professionals rely on for education and information regarding oncology practice issues

Levels of Corporate Membership:

PLATINUM \$12,000/year

- Privileges:
 1. Distribution of your organization's FDA approvals will be emailed to the membership as timely as possible.
 2. Recognition as a Platinum Member on the NOS Website.
 3. Link to your organization's main website, a link to your patient assistance program and your local representatives' contact information on the NOS website.
 4. Your organization may send one representative from heme and one from solid tumor sales (if applicable to your company) to specially called meetings free of charge. For instance: NOS meeting with guest speaker with topic of interest to your representative . You will be recognized as a Platinum member at such meetings.
 5. You may send up to 5 representatives and exhibit at the ASCO Review (June) and San Antonio Breast Cancer Symposium Review (January) meetings free of charge.
 6. Opportunity to have a display/ vendor table, if desired, at non-CME monthly meetings as space allows up to 2-3 additional times per year (February, April, May, August, October, November) at no additional charge
 7. Vendor display opportunities at 2 additional accredited educational events (Fall and Spring Oncology Reviews) for free.
 8. Meeting with board of directors once a year and announcement of new drug approvals and indications at monthly meetings.

Nebraska Oncology Society
