

Nebraska Oncology Society

The Nebraska Oncology Society invites you to an evening dinner presentation with:

Tatyana Feldman, MD

Please join us for the Nebraska Oncology Society Lymphoma Update with Seattle Genetics taking place October 19th at the Omaha Regency Marriott, 5:30 pm. Our speaker will be Dr. Tatyana Feldman. Dr. Feldman serves as the primary investigator at the John Theurer Cancer Center and currently holds an academic appointment at the NYU School of Medicine. Her research includes lymphoma, including Hodgkin's disease and non-Hodgkin's lymphoma.

Thursday October 19th, 2017
